Dear Colleague

"Medical Device Equipment Management - what we need to know"

IHEEM Republic of Ireland Branch

Technical Meeting THURSDAY 5th FEBRUARY 2015

5pm to 7:00pm in The Academic Centre, Connolly Hospital, Blanchardstown

"Free to all, that wish to attend"

Ireland has recently launched a new Branch Committee of the Institute for Healthcare Engineering and Estates Management. This committee is made up of Facilities Managers, Clinical Personnel and Engineers all currently working in Irish hospitals or Healthcare. We would like to invite all colleagues that have an interest in clinical and non-clinical aspects of Healthcare provision, including Engineering, Estates Management of Facilities, Decontamination and Infection Prevention and Control, to participate in this focused **Quality in Healthcare** Meeting. We are pleased to present the following Programme:

5:00 – 5:30 **Registration & Networking** with Sandwiches/Tea & Coffee provided.

5:30 – **Ronnie McDermott, MSc, Clinical Engineering,**
Medical Device Equipment Lead, HSE, Dublin North East
Medical Device Equipment Management

6:00 – **Wayne Spencer- Authorised Engineer Decontamination**
Water & Steam Quality for Decontamination –What we Need to Know

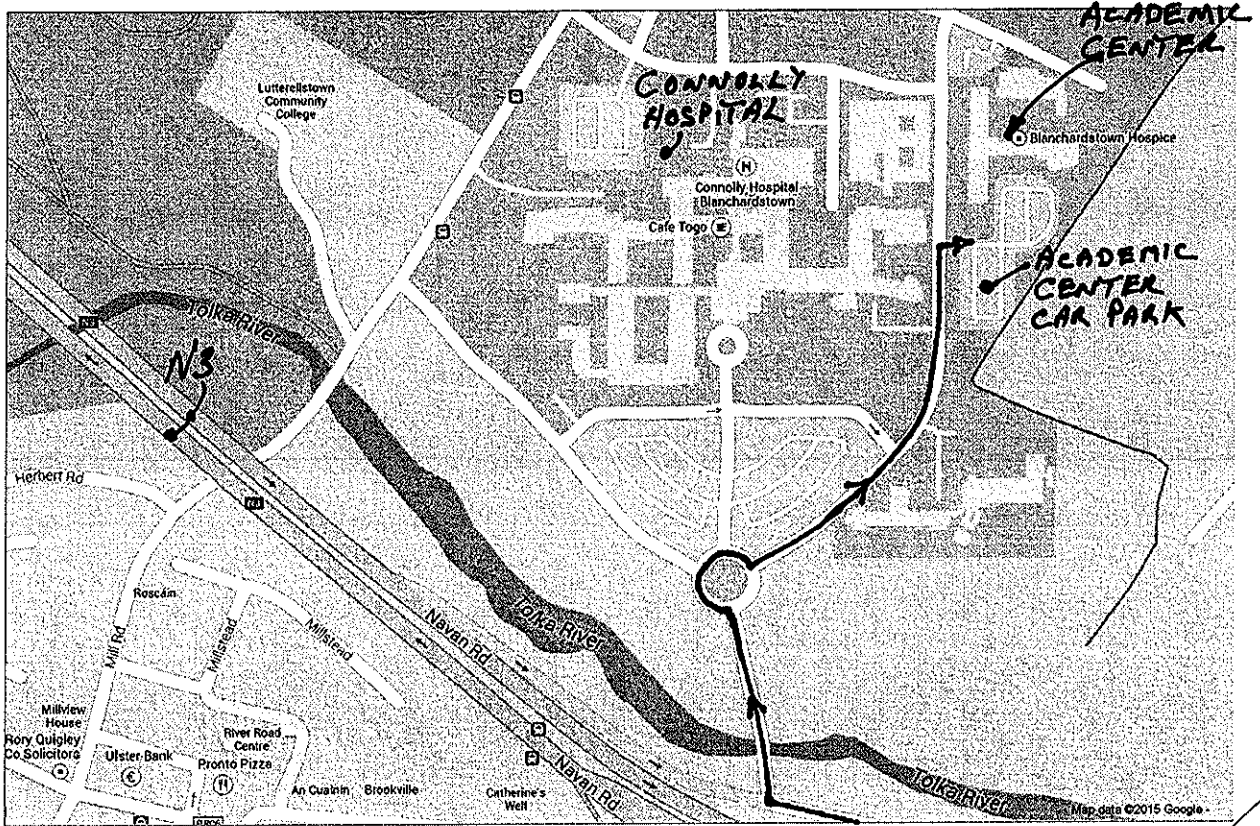

6:30 – **Caroline Conneely - National Decontamination Quality Lead**
Management of Bedpan Washer Disinfectors:
Should We/ Can We Improve Our Practice?

7:00 – Close - Further Networking with Tea & Coffee available

Please indicate your intention to attend with an Email to Stephan Walshe swalsh@jvtierney.ie

To see all the details that are visible on the screen, use the "Print" link next to the map.
